

Why volunteer at the library?

The Bluffton Branch of Beaufort County Library is a tremendously popular resource for our community, welcoming an ever increasing number of visitors each year and checking out over 130,000 items, from books to DVDs. Volunteers play an important part in the success of our library, helping to provide everyone in our community with life-enriching experiences. Last year, over 40 volunteers - from teens to seniors - contributed their gifts of time and talent to the Bluffton Public Library.

What do volunteers do?

Library volunteers do all kinds of things! Help is needed with a variety of tasks, some simple and some more technical, in most of the library's departments. Opportunities include:

- working with visitors, from children to seniors, at special events
- helping computer users at the library
- working with library staff behind the scenes
- working with many kinds of library materials.

How can volunteering benefit me?

Volunteering for the library can be a very rewarding experience. Not only will you be helping serve the community, but you'll also benefit from:

- working in a well-liked library
- being in a friendly group environment
- gaining a feeling of accomplishment
- meeting new and interesting people
- learning about the library and all its resources
